The Samuel Trust are looking for a new team member to help write the next chapter in the life Sam's Kids' Club. For 15 years we have provided holistic Christian outreach ministries to children and their families in the St Machar Academy catchment area of Aberdeen in partnership with local churches. The new Project Worker will have a solid base to build upon and a good team to work with. They will have the opportunity to develop the work in accordance with their own gifts and skills and developing vision in partnership with the other members of the team and the trustees. The pay will be dependent on experience, and the number of hours to be worked are negotiable.
